

HB 710 -- MEDICATION ASSISTED TREATMENT

SPONSOR: Walker (74)

This bill specifies that a drug court shall not prohibit a drug court participant from participating in and receiving medication assisted treatment under the care of a licensed physician if the drug court participant requires such treatment for opioid abuse dependence. A drug court participant assigned to a substance abuse treatment program for opioid abuse or dependence shall not be in violation of the terms or conditions of the program on the basis of his or her participation in medication assisted treatment.
